

## CPDP Conference

### VACANCY: Conference Volunteer Event Support

Brussels, October 2023

#### About us

Privacy Salon vzw is a small Belgian non-profit with its origins in the interdisciplinary Research Group on Law, Science, Technology & Society (LSTS) of the Vrije Universiteit Brussel (VUB). For 16 years, we have been organising the annual CPDP conference in Brussels: an international gathering of data protection, privacy and technology experts from academia, institutions, and industry.

#### About the Conference

The Computer, Privacy and Data Protection conference (CPDP) is looking for volunteers to help and realize its next edition. CPDP is organized in Brussels since 2007. The conference has always been an interesting mix of academics, researchers, professionals, activists, and policy makers from all over the world with partners like Google, Meta, Microsoft, Apple, Uber, Mozilla and many more. We will end our conference with a big party which will be organized by Mozilla this year.

You can find all information about the program and former editions here: [CPDP conference](#).

To create the best possible environment for our guests and panelists we align a group of young, spirited, and well-grounded students/volunteers, mostly joining us from the institutions of the conference partners.

With this message, we would like to invite you to volunteer at this year's edition taking place at Tour&Taxis (Brussels) from May 21 - 24, 2024. In exchange for your volunteering efforts, you get a free entrance to the conference allowing for the opportunity to witness your favorite panels, side events, or meet fellow privacy and data protection enthusiasts.

## Job Description

The hours we ask you to volunteer depend on the quantity of volunteers. The more volunteers, the less hours everyone needs to spend working, and accordingly the more time you can spend at the conference enjoying all the panels, side event, and opportunities for networking. You will have no more than one day to work and two full days to enjoy the conference. The regular entrance fee for students is €175 for one day, €200 for two days. As a volunteer your efforts will serve as your entrance fee so you can attend the whole conference for free by supporting the organization for one day.

## Your tasks

- Support with promotional material for CPDP, social media templates, posts, and Hosting and guiding the participants
- Assistance for the registration
- Cloakroom
- Support at the information desk

## Your Profile

- Educational background in law, communication, or European related studies
- Proficient in English, fluency in French or Dutch is a significant asset.
- Interested in privacy, data protection and other legal and ethical issues posed by technologies.
- Ability to work with minimal supervision.
- You like to take the initiative and work independently.
- You are available from the 21<sup>st</sup> – 24<sup>th</sup> May 2024.

**Please apply with a motivation letter of max. 1 page and a CV via email to [info@privacysalon.org](mailto:info@privacysalon.org)**
